RE: Lakeville – Arris Apartments

TPC FILE: 135.01

BACKGROUND

Kami Holdings LLC has submitted applications for development of a 197 unit apartment building at the northeast quadrant of Kenrick Avenue and 173rd Street. The proposed development requires consideration of applications for preliminary plat, final plat, a Conditional Use Permit for multiple family uses within the M-1, Mixed Use I-35 Corridor District, a Conditional Use Permit for building height greater than 48 feet, site and building plan review, and vacation of existing public right-of-way and easements. A public hearing to consider the applications has been noticed for the Planning Commission meeting on 15 October 2020.
